THE PRINCE PHILIP TRUST FUND FOR THE ROYAL BOROUGH OF WINDSOR AND MAIDENHEAD

REPORT OF THE TRUSTEES FOR THE YEAR END 30 April 2018

HISTORY OF THE TRUST

The Prince Philip Trust Fund was established by a trust deed of 18 December 1977 and subsequently varied by deeds dated 22 October 1979, 24 April 1990, 28th November 2004 and 23 November 2009. The Charity is constituted as an unincorporated association.

The Trust is registered with the Charity Commission (registration number 272927) as a charity with the principal objects as noted below.

Included in the trust deed of 18 December 1977 it is noted that the Trustees have a general power to make regulations for the management of the Charity. Such powers include the proper investment of the Charity's funds.

OBJECTIVES AND ACTIVITIES OF THE TRUST FOR THE PUBLIC BENEFIT

The objects of The Prince Philip Trust Fund are:-

- (a) The provision, in the interests of social welfare, of facilities for the recreation and leisure time occupation of the inhabitants of the Royal Borough of Windsor and Maidenhead (the area of benefit) with the object of improving their conditions of life.
- (b) The advancement of the education of young people in the area of benefit, in particular, but not exclusively, in the field of voluntary service.
- (c) The advancement of public education in the arts, literature and science in the area of benefit.
- (d) To or for such other charitable purposes, in the area of benefit, as the Trustees shall decide.

The Trustees confirm they have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the Prince Philip Trust Fund's aims and objectives and in planning future activities and setting the grant making policy for the year.

MANAGEMENT AND GOVERNANCE ARRANGEMENTS

The Prince Philip Trust Fund consists of seven (2017: seven) ex officio trustees with the others referred to as elective trustees. An elective trustee is appointed for an initial term of five years by resolution of the trustees. The elective trustees may be reappointed for one further term of five years by resolution and for a third and final term of five years having ceased to be a trustee for a minimum period of one year.

The Treasurer regularly attends Charity training courses and all the trustees have wide experience due to their involvement in other, in many cases, larger Charities.

The Trustees keep the skill requirements for the trustee body under review and in the event of a trustee permanently retiring or additional trustees being required, the Trustees form a list of suitable candidates who are then approached to join the board.

Upon appointment, new trustees meet with the other trustees where they are given a history of the charity, its ethos and grant making policies. Trustees are appointed for the skills and experience they can add to the body and therefore no further training is generally required.

At the twice yearly Trustees meeting, the Trustees agree the broad strategy and areas of activity for the Trust, including consideration of grant making, investment, reserves and risk management policies and performance. The day to day administration and the processing and handling of applications prior to consideration is delegated to the treasurer and the secretary.

All Trustees give of their time freely and no Trustee remuneration was paid in the year. Details of Trustee expenses are disclosed in note 4 to the financial statements.

REPORT OF THE TRUSTEES *(continued)* FOR THE YEAR END 30 April 2018

PROCEDURES AND POLICY FOR GRANT MAKING

The Prince Philip Trust Fund has established its grant making policy to achieve its objectives for the public benefit to support people within the Royal Borough of Windsor and Maidenhead. This support is offered by making available, to organisations or individuals, cash donations agreed by the Trustees at meetings held twice yearly. Applications received for grants are reviewed in detail prior to the meeting of the Trustees and subsequently discussed and agreed at the meeting. Applications for grants can be made in writing to the Secretary of the Trust, Mr C Atken.

ACHIEVEMENTS AND PERFORMANCE OF THE TRUST

How we deliver public benefit

The beneficiaries of the grants given by the Prince Philip Trust Fund are the people and organisations operating within the Royal Borough of Windsor and Maidenhead. During the year the Trust supported 41 organisations and 4 individuals and a wide variety of projects from supporting local theatre to educational trips for young people.

FINANCIAL REVIEW, INVESTMENT POLICY

In the year to 30 April 2018, The Prince Philip Trust Fund received donated income of £113,180 (2017: £230,520) and dividend income of £55,877 (2017: £55,922). The dividend income is derived from holdings in the Cheshire Common Investment Fund, Charinco Common Investment Fund and Investec Wealth & Investment. Unrealised gain on investment assets totalled £42,401 (2017: £296,582).

Whilst donations can never be guaranteed, the Trustees are satisfied that income derived from the investments will allow the payment of reasonable grants in compliance with the Charity's objects. Total grants payable or committed for the year amounted to £97,077 (2017: £98,087) and varied in amount between £250 and £5,000.

At 30 April 2018, The Prince Philip Trust Fund had net assets of £2,353,559 (2017: £2,260,798). Included in net assets are fixed asset investments in the sum of £2,322,376 (2017: £2,179,974). Such investments are included at market value at 30 April 2018 and have been acquired in accordance with the powers available to the Trustees.

The Charity is not dependent on the services of unpaid volunteers.

The Trustees confirm that the assets of the charity are available and adequate to fulfil its obligations.

The Trustees have striven to secure a strong investment base to ensure that the income generated will be sufficient to provide a realistic level of giving. Presently it is the Trustees' intention to pay grants from investment income and from an element of donations. As future donations cannot be guaranteed, the intent is to secure future grants wholly from investment income.

RESERVES POLICY

The intention is to maintain free reserves in unrestricted assets at a level which the Trustees consider will provide necessary investment income to fund appropriate applications for grants and to ensure that there are sufficient resources available to cover support and governance costs. The Trustees policy has been to distribute or utilise a proportion of its voluntary income received each year and all the investment income arising from the reserves to meet the charity's objects.

The Trustees policy has always been to provide grants at a modest level to a wide range of applicants and thus as a catalyst to encourage the beneficiary class outlined in its objectives. Whilst each case is treated on its merits, the Trustees consider that grants at a higher level would not necessarily provide the same motivation. The Trustees also believe the high level of applications for support show that the Trust is well known as a local benefactor.

Whilst investments are always susceptible to market fluctuations, the Trustees have invested wisely in low risk funds. The Charity is not a major fundraiser and income is modest in monetary terms and the Trustees are conscious that the sale of investments for charitable grants will deplete ongoing income and could impact on stability in the grant making programme. The Trustees review the reserve policy at each of the two Trustee meetings per annum, including the proportion of the voluntary income that is made available for distribution as opposed to being invested in the income generating reserves which are relied on to provide funds for future grants.

RISK MANAGEMENT

The Trustees have examined the risks facing the Charity and confirm that the procedures of the Charity are considered adequate to mitigate such risks.

FUTURE PLANS

The trustees intend to continue with its existing policies and do not anticipate any material changes to its methods of operating.

TRUSTEES' RESPONSIBILITIES

The trustees are responsible for preparing the annual report and the financial statements in accordance with applicable law and United Kingdom Generally Accepted Accounting Practice.

Law applicable to charities in England and Wales requires the trustees to prepare financial statements for each financial year which give a true and fair view of the Charity's financial activities during the year and of its financial position at the end of the year. In preparing those financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards and statements of recommended practice have been followed, subject to any departures disclosed and explained in the accounts;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Charity will continue in operation.

The Trustees are responsible for keeping accounting records which disclose with reasonable accuracy the financial position of the Charity and which enable them to ascertain its financial position and which enable them to ensure that the financial statements comply with applicable law. They are also responsible for safeguarding the assets of the Charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

In so far as the Trustees are aware:

- there is no relevant audit information (as defined by section 418 of the Companies Act 2006) of which the company's auditors are unaware; and
- the Trustees have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditors are aware of that information.

AUDITORS

The auditors, Peter Upton Ltd, will be proposed for re-appointment at the forth coming general meeting.

**Report of the Independent Auditors to the Members of
The Prince Philip Trust Fund for the Royal Borough of Windsor and Maidenhead**

Opinion

We have audited the financial statements of The Prince Philip Trust Fund for the Royal Borough of Windsor and Maidenhead (the 'charity') for the year ended 30 April 2018 which comprise the Statement of Financial Activities, the Balance Sheet and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charity's affairs as at 30 April 2018 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Charities Act 2011.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors responsibilities for the audit of the financial statements section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the trustees' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the trustees have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the charity's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

Other information

The trustees are responsible for the other information. The other information comprises the information included in the annual report, other than the financial statements and our Report of the Independent Auditors thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Opinion on other matters prescribed by the Charities Act 2011

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Report of the Trustees for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Report of the Trustees has been prepared in accordance with applicable legal requirements.

**Report of the Independent Auditors to the Members of
The Prince Phillip Trust Fund for the Royal Borough of Windsor and Maidenhead**

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the charity and its environment obtained in the course of the audit, we have not identified material misstatements in the Strategic Report and the Report of the Trustees.

We have nothing to report in respect of the following matters where the Charities Act 2011 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the trustees were not entitled to take advantage of the small Charities exemption from the requirement to prepare a Strategic Report or in preparing the Report of the Trustees.

Responsibilities of trustees

As explained more fully in the Statement of Trustees Responsibilities, the trustees (who are also the directors of the charity for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

Our responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue a Report of the Independent Auditors that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at www.frc.org.uk/auditorsresponsibilities. This description forms part of our Report of the Independent Auditors.

Use of our report

This report is made solely to the charity's members, as a body, in accordance with the Charities Act 2011. Our audit work has been undertaken so that we might state to the charity's members those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's members as a body, for our audit work, for this report, or for the opinions we have formed.

2.1 Acquisition of Roland Grange Trust

During the year The Prince Philip Trust acquired the assets of the Roland Grange Trust, another local charity, which had come to the end of its useful life and was struggling to secure new Trustees. The Trustees of The Roland Grange Trust were of the opinion that their funds would be better utilised within The Prince Philip Trust whose objects, which were slightly amended to accommodate the acquisition, fitted well with those of the Roland Grange Trust. The funds totalling £161,867 were transferred to the Prince Philip Trust and included within donations received. They were allocated to capital and added to the investments held. 9 Taxation

The Prince Philip Trust Fund for the Royal Borough of Windsor and Maidenhead is a charity and the trustees are of the opinion that it is entitled for the current year to the exemptions provided by Part 10 of the Income Tax Act 2007. As a consequence, no provision for taxation is regarded as relevant.

10 Contingent Liabilities

At the year end The Prince Philip Trust Fund for the Royal Borough of Windsor and Maidenhead had committed to potential grants which will only be made in the event that losses are made by certain third parties to a total of £1,000 (2017: £0).
